MM Docket No. 01-51
RM-10007

IVED

Released: February 21, 2001

Reply Comment Date: May 1, 2001

1. The Commission has before it a petition for rule making filed by Lima Communications Corporation ("LCC"), licensee of station WLIO(TV), NTSC channel 35, Lima, Ohio. LCC requests the substitution of DTV channel 8 for station WLIO(TV)'s assigned DTV channel 20.

2. In support of its proposal, LCC states that issuance of a *Notice* proposing LCC's channel substitution is consistent with Commission's rules and policies that are designed to assist smaller market stations' transition to digital television. LCC notes that station WLIO(TV) serves the Lima, Ohio DMA, which is ranked 201st in the United States. Operation on VHF channel 8, LLC asserts, would permit it to reduce the impact of DTV build-out and operating costs by operating more efficiently. More importantly, LCC states that operation on the VHF channel would improve signal coverage for the viewers in the Lima, Ohio DMA, ensuring effective service replication.

3. We believe petitioner's proposal warrants consideration. DTV Channel 8 can be substituted for DTV Channel 20 at Lima, Ohio, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates (40-44-54 N. and 84-07-55 W.). In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). However, since the community of Lima is located within 400 kilometers of the U.S.-Canadian border, concurrence by the Canadian government must be obtained for this proposal. We propose to substitute DTV Channel 8 for DTV Channel 20 for station WLIO(TV) at Lima with the following specifications:

| State & City | DTV Channel | DTV power (kW) | Antenna HAAT (m) |
|--------------|-------------|----------------|------------------|
| OH Lima | 8 | 30 | 165 |

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

| <u>City</u> | <u>Channel No.</u> | |
|-------------|--------------------|-----------------|
| | <u>Present</u> | <u>Proposed</u> |
| Lima, Ohio | 20, 47 | 8, 47 |

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before April 16, 2001, and reply comments on or before May 1, 2001, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Mass Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the

time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
